

**Meeting Minutes – Buildings and Utilities Committee  
6/28/2011**

Update on Rain barrels: specifications were presented to the Board; currently rewriting the specifications; the Board has to approve before they can open it up for residents. An update will be provided in the Newsletter as well as an update on the Parkfairfax Website.

Pet Waste Receptacle Near Bldg 850: on Martha Custis Dr. Management will review relocating the receptacle across the street, away from the bus stop.

Building Inspections: Volunteers are still needed to complete the review.

Sidewalk Inspections: Parkfairfax is coordinating with the city to make improvements to city sidewalks, and is working with the contractor to prioritize and repair Parkfairfax sidewalks.

Tot Lots are being reviewed by staff and repaired if possible. Further discussion will occur at the Board's August Workshop.

USP Merchandise: Management is proposing additional kitchen and bath faucets available through the USP program. The Committee reviewed and provided comments

Research is being gathered for pending changes to a project to accommodate wheelchair access to a unit in Parkfairfax. This information will be presented to the Board on 7/18/2011 for a decision unless the pending changes can be resolved with the contractor before then.

**No BUC meeting in July.**
